MEGA TECHNICAL PROJECT EXPO:

A Mega Technical project expo was conducted in association with The Institution of Engineers (India) Tiruchirappalli Local Centre & Student's Chapter along with (621105/MCET/EE) Tamilnadu Generation and Distribution Corporation (TANGEDCO) & Energy Efficiency Services Limited (EESL) at St.Joseph's College,Community Hall, Trichy. The main motive behind this expo was to create awareness about energy conservation among the public. The student's projects included Smart home, Smart park, 3D printer, Prepaid energy meter, Home appliance control using WIFI and Blue tooth, ,Smart park, Footstep power generation, Solar power tracking, On grid and off grid solar power generation. A demonstration of

power generation from all generating stations was also organised by the II year students. An E-vehicle test drive and a LED lamp sale was also organised. This expo was a grand success because it brought an awareness among the public, school students who visited the expo. It was highly appreciated by the dignitaries from TANGEDCO, EESL and IEI Local Chapter.
