

INAGURATION OF E – REVOLUTION 2K18

REPORT

Electronics is a rapid growing field with much more scope for innovation and application. So it is relevant to have an association that moulds a future which would integrate all the practical phrases. The inaugural function of E- Revolution 2K18 was organized by the department of ECE, MAMCET in Newton hall at 9am. The chief guests of the function were Mr. Palaniappan Subbaih, MD & CEO, Egston Technology and Dr. Sishaj .P. Simon ,Associate Professor NIT, Trichy. Mr. Palaniappan Subbaih gave a talk on the supply-demand for Engineering disciplines , which is relevant to the present academic condition. He also spoke about Engineering admission scenarios and also motivated the students in terms of choosing college and branch . He advised the students regarding the importance of engineering and the opportunities available in the industries. He also mentioned about the student involvement in doing projects and placements. Dr. Sishaj .P. Simon delivered about knowledge and innovation ,also interacted with the students. Following, a guest lecture was delivered by Dr. Sishaj .P. Simon about artificial intelligence to the students. Students from different colleges participated in various technical events organized by the department . Prof V. Kavitha, Coordinator of E- Revolution 2K18 extended immense gratitude and obligation to the dignitaries for their presence and valuable speech. E- Revolution 2K18 will inculcate and encourage innovative thinking of the students.
